PRIVACY POLICY

1. PRIVACY STATEMENT

Ardis Technologies BV appreciates your interest in visiting this website. Your privacy is important to us and we want you to feel comfortable when visiting our site. The protection of your privacy in the processing of your personal data is an important concern to which we pay special attention during our business processes. The website of Ardis Technologies BV may include, however, links to other websites which are not covered by this privacy statement. Ardis Technologies BV respects your privacy and personal sphere.

2. SECURITY

Ardis Technologies BV uses technical and organizational security in order to protect and control our website against accidental or intentional manipulation, loss, destruction or against access by unauthorized persons. Our security procedures are continually enhanced as new technology becomes available. However, we would like to point out that your data transfer via internet (e.g. communication by email) may bear security gaps. A gapless data protection from access by third parties is not possible.

3. COLLECTION AND PROCESSING OF PERSONAL DATA

When you are visiting our website, we do NOT automatically record access data of any personal reference, we do NOT store the name of your internet service provider NOR the website from which you visit us or the websites you actually visit and the date and length of your visit. Additional personal data is NOT collected, and therefore can NOT be stored.

4. USE AND DISCLOSURE OF PERSONAL DATA AND PURPOSE SPECIFICATION

Ardis Technologies BV is not a webshop and therefore not involved in payments through our website. Therefore we do not have to collect personal data, nor we have to store any data for purposes regarding the technical administration of our website, and therefore there is no need that visitors have to provide any information. If there is no personal data recorded, your data can also not be forwarded to any other website.

5. COOKIES

Our website does not use so-called cookies. In order to improve our website and design it more user-friendly, more efficient and safer, you can email our contact with your remarks and/or suggestions, which will be taken care of.

6. USE OF GOOGLE ANALYTICS

This website does NOT use Google Analytics, a web analytics service provided by Google, Inc.

7. NEWSLETTER

If you want to receive newsletter(s) offered on our website (not yet) it could be, that we need from you a valid e-mail address, your name and your title, which you can fill in upon request. No further personal data is collected. Your agreement to the storage of this data just for using newsletters, your e-mail address as well as the use for sending you the newsletter(s), can be withdrawn by you anytime.

8. PERSONAL DATA IN THE CONTACT FORM

With the Contact form Ardis Technologies BV does not need to collect personal data for storage, but just for sending the requested information material to the correct address or to answer potential questions. We do not pass on these personal data to a third party without your expressed approval which you can withdraw anytime.

9. FREEDOM OF INFORMATION

The website of Ardis Technologies BV does not store your personal data, but just gives you technical information.

10. YOUR AGREEMENT

Whilst using this website it must be clear by now that Ardis Technologies BV does not use any personal information. The rapid development in the field of internet necessitates from time to time adaptations of our Privacy Policy. We will inform you here about new alterations, which will arrive before May 2018 regarding new European Law(s).

For any questions, wishes, or comments about privacy please write us an email.
